PROFESSIONAL EXPERIENCE

PhD Researcher — Strategy & Sustainability

January 2019 – April 2024

Magellan Laboratory, Université Jean Moulin Lyon 3

Lyon, France

- Led doctoral research on sustainability, business model design and innovation, helping organisations profitably create sustainable and social value in emerging markets and Base of the Pyramid (BoP) contexts.
- Operationalised business model frameworks — value proposition, supply chain, value network, customer segments, revenue streams, cost structure and key activities — across multinational corporations (MNCs).
- Conducted qualitative and comparative data analysis (Morse's methodology) to identify how MNCs innovate and create shared value in line with global sustainability trends.
- Explored collaborative frameworks for optimising value chains through partnerships with NGOs, civil society organisations and governments.
- Presented findings at international scientific conferences; results published in a Scopus Q1 journal and two edited academic books.

Key Account Executive (Wholesale Channel)

September 2017 – December 2018

Mondelez International

Mérida, Mexico

- Led strategic planning and relationship management for two key clients in South Mexico's wholesale channel, using market, consumer and competitive insights to drive business growth.
- Consistently exceeded sales targets, growing sell-in and sell-out by 10% and surpassing quota in 10 out of 12 months.
- Built and maintained strong stakeholder relationships, generating critical insights that improved strategic decision-making.
- Championed the launch of 12+ new products annually, tailoring the portfolio to evolving market demand.
- Developed business cases for commercial solutions, securing client adoption and improving sales performance.

Sales Manager (South of Mexico & Central America)

September 2016 – January 2017

MegaEmpack (Bepensa Industrial)

Mérida, Mexico

- Led business development across diverse territories, designing and executing growth strategies responsive to regional market trends.

- Delivered 20% sales growth through strategies grounded in market data and analytics, consistently exceeding targets.
- Recovered key clients and established new SME accounts, driving significant revenue growth.
- Coordinated cross-functional teams to deliver technical client requests and resolve business challenges.

Key Account Executive (Retail / Supermarkets)

November 2010 – August 2015

Grupo Bimbo

Mexico City, Mexico

- Managed the portfolios of two principal retail chains in Mexico, delivering growth in revenue and profit.
- Drove a consistent annual growth rate of approximately 12% per retailer by optimising distribution costs, promotional campaigns and shelf visibility.
- Managed promotional budgets with a strong ROI focus, using data-driven insights to keep campaigns innovative and profitable.
- Built and delivered annual Joint Business Plans (JBP); negotiated commercial discounts and introduced cross-docking logistics to reduce costs.
- Ensured strict DSO compliance with finance and coordinated interdisciplinary teams for tailored product adaptations.
